

2023 Dreamer's Reserve Pinot Noir

AVA: Willamette Valley

Alc: 12.5%

Composition: 100% Pinot Noir

Winemaking Process:

A reserve select of Dave's favorite barrels from varying vineyards across the Willamette Valley. 5-7 day cold soak to promote native yeast to kickstart fermentation. Mostly destemmed, partial whole cluster, and carbonic maceration.

10 months in 25% new French oak barrels. Bottle aged a minimum 9 months. Minimal sulfur additon.

Vineyards:

A blend of Pinot Noir from varying elevations across the Laurelwood District AVA - volcanic windblown loess soil. Clones 113, 667, 777, Pommard and Wadenswil. Farming practices: dry farmed, organic/sustainable.

Production: 300 cases

Release date: December 2024
